DISTRIBUTION OF FUNDS (based on the following criteria):

- Year-1 - Up to 75% of the total grant or the amount shown in the Year-1 Budget Column, if less than 75%
- Year-2* - the remaining grant funds minus 10% of the total will be released upon receipt and approval of year 1 annual report
- Final 10% of total will be released up receipt of final report (due 60 days after funding period ends)

***Year-2 Totals - Should include the entire remaining grant funds, including the 10% that will be withheld pending receipt of the final report. Although the final 10% will not be released until after the final report is received, the year-2 expenditures should include this amount, so that all proposed expenditures are documented in the budget.**
