Policies for Annual Giving:

- Annual giving will be based on chapter giving from January 1 – December 31 of each year (i.e. in 2007, annual giving would be based on 2006 giving information). Valued Chapter gift incentives apply to chapter gifts only.
- Annual giving does not include the payment of current or outstanding CLIR or Silver Anniversary endowment pledges.
- Annual giving totals do not include individual donations unless donations are received with instructions specifying that gifts are to be counted towards chapter giving. Individual gifts that fall into this category will be counted as chapter gifts only – gifts will not be counted towards individual giving for the Foundation Circle.
- The following types of gifts to ONS Foundation count towards annual giving program membership: Gifts to the semi-annual appeal; general donations; gifts made in memory of or in honor of someone; ONS Foundation Fun Run registrations; expense reimbursements; and chapter silent auction prizes.

*Please note that ONS Foundation Valued Chapter giving benefits are subject to change. Benefits current as of 02/22/10. Benefits will be given in 2010 for 2009 Chapter Donors.
